

Thank you for your participation in Operation Beautification Seymour!

We are excited to organize this effort through the City of Seymour to enhance the look of our community to its residents and travelers. To ensure success, we should first begin with explaining the process. Due to a sizable and gracious donation by Leake Farms this effort is possible. Todd and Carrie Leake value Seymour and are partnering with the City to make this the most beautiful town possible. We had our first meeting September 4th at City Hall, created volunteer groups, and determined the who, what, and where of the process.

To participate in Operation Beautification Seymour you only have to follow this simple 4 step process.

1. Determine where you would like to have additional landscaping
2. Determine which plants you would like from the list provided
3. Sign your promissory maintenance agreement
4. Return all paperwork to your volunteer

Congrats! You are now a **PARTICIPANT** in Operation Beautification Seymour! You will be contacted within a few weeks as to when and where your plants will be available for pick up. Below is additional information for you to retain.

Your Volunteer is: _____

Contact Info: Phone _____ E-mail _____

Yes, I Have Facebook!

No, please do not use Facebook as a way to contact me.

If you have any additional questions you may contact Lauren Bush, Operation Beautification Seymour Coordinator, at 940-889-3148 (City Hall) during regular business hours or 940-256-0017 (Cell). You may also contact her through facebook personally or by messaging Seymour TX – Do More, See More. Email as well at lbush@cityofseymour.org

MAINTENANCE AGREEMENT

The following is understood by the property owner signed below:

- All plants agreed upon must be picked up on the delivery date notified. No exceptions will be made.
- All plants are the responsibility of the property owner to be placed in the ground or potted within 10 days of pickup.
- All plants / landscaping decided upon by the property owner are their responsibility to water, weed, and take care of in the manner to maintain the health and attractiveness of the plants / landscaping.
- If a landscaper or landscaping service is employed to plan, plant, or maintain then it is at the cost of the property owner.
- Plants received from the City of Seymour that die will be replaced at the cost of the property owner. The City of Seymour nor Leake Farms will be held liable for replacement plants or the cost incurred through a landscaper/service for replacement.

I, _____, at my property located at _____
 in Seymour TX understand that I am participating in a beautification effort and will make all best efforts to maintain plants received and fulfill the goal of the volunteer group OPERATION BEAUTIFICATION SEYMOUR.
