

The City of Seymour: BID NOTICE FOR 908 & 1007 N MAIN

is requesting and will receive bids from qualified vendors for the purpose of the demolition of dangerous, unsafe, or substandard structures and removal of demolition debris from such structures within the City of Seymour.

LOCATION: 908 N Main & 1007 N Main

The cost will be on a lump-sum basis. There will be no pre-bid meeting for this project, but firms are allowed to contact City Administrator Dr. Jeff Brasher at (940) 889-3148 or at jbrasher@cityofseymour.org.

The city reserves the right to reject any or all bids submitted.

SCOPE OF WORK

The contractor shall provide all supervision, labor, materials, tools, permits, fees, and equipment necessary for demolition and debris removal per Contract specifications. Demolition and clearing will be performed upon request by the City Administrator or designees. The City of Seymour aims to demolish and clear dangerous, unsafe, or substandard structures promptly and cost-effectively.

Supervision, Equipment, and Material:

- The contractor shall determine the most efficient methods and obtain City approval before starting work.
- The contractor must provide labor, equipment, supervision, materials, supplies, and transportation for demolition services.

Contractor Requirements:

To be considered responsible, contractors must:

1. Have adequate financial resources or the ability to obtain them.
2. Adhere to the required schedule, considering all existing commitments.
3. Have a satisfactory performance record.
4. Maintain a satisfactory record of integrity and business ethics.
5. Possess necessary organizational experience and operational skills or the ability to obtain them.
6. Have the technical equipment and manpower or the ability to obtain them.
7. Be qualified and eligible under applicable laws and regulations.

GENERAL REQUIREMENTS:

- Sealed Bids. Sealed bids will be received as follows: **Bids shall be submitted no later than THURSDAY, September 19th, 2024, at 5 p.m.** The City reserves the right to reject any and all bids. Bids received in the City Secretary's office after the stated deadline(s) will be returned unopened and will be considered void and unacceptable. The City of Seymour is not responsible

for lateness of mail, carrier or any method of delivery. The time in the City Secretary's office shall be the official time of receipt.

- Originals shall be in a **sealed envelope clearly marked DEMOLITION BID, TO BE OPENED ON, Friday, September 20th, 2024.** and submitted to CITY OF SEYMOUR, ATTN: CITY SECRETARY, mailed to PO Box 31, Seymour, TX 76380
- **Bids will be opened and evaluated by City staff Friday, September 20th at 9:00am.** Evaluation criteria will be based on the completeness of information provided, references/reputation and best value for the City. These bids will then be presented to the city council September 26th.
- Individuals or firms will be notified by Noon on Friday, September 27th whether they have been selected for the project.
- Unless expressly allowed in writing by the City Administrator, no bid may be changed, amended, or modified in any manner after it is delivered to the City; however, such documents may be withdrawn and resubmitted any time prior to the applicable deadline.
- Bidders taking exception to the specifications, or offering substitutions, shall state these exceptions in the section provided or by attachment as part of the bid. The absence of such a list shall indicate that the bidder has not taken exceptions and shall hold the bidder responsible to perform in strict accordance with the specifications of the invitation. The City of Seymour reserves the right to accept any and all or none of the exception(s)/ substitution(s) deemed to be in the best interest of the city.
- Bid must comply with all federal, state, city and local laws concerning types of products specified.
- Design, strength, quality of materials must conform to the highest standards of manufacturing practice.
- Minimum standards for responsible bidders: A prospective bidder must affirmatively demonstrate responsibility and must meet the following requirements:
 - Have adequate financial resources, or the ability to obtain resources required;
 - Be able to comply with the required or proposed delivery schedule;
 - Have a satisfactory record of performance;
 - Have a satisfactory record of integrity and ethics;
 - Be otherwise qualified and eligible to receive an award.

City of Seymour may request clarification or other information sufficient to determine bidder's ability to meet these minimum standards listed above. Failure to respond to such requests shall be cause for removal from consideration.

STATEMENT OF WORK

Work to be Performed

- Remove all assigned structures, including concrete slabs, porches, and walkways **@ 908 N Main**
- Remove all assigned structures, sign base, cinderblock pit, and debris **@ 1007 N Main**
- Remove pier foundations to at least three (3') feet below ground level.
- Remove and cap utilities as described in paragraph 4.0.

- Cut grass and weeds to no higher than two (2") inches.
- Remove dead trees, leaving stumps no higher than twelve (12") inches.
- Trim live tree branches encroaching on the house (if present) or neighbor's house or fence.
- Remove all cut grass, weeds, and tree branches from the lot.
- Remove non-hazardous debris (e.g., appliances, crates, trash, tires, scrap metal, lumber, furniture).
- Do not perform any work on or inside any inhabited or safe structures on the property. Take care not to damage any existing safe structures or living trees.

1.0 Use of Roll On / Roll Off Containers

If the Contractor requires the use of Roll On / Roll Off containers in sizes 20, 30 or 40 yards, these must be rented from Waste Connections under a pre-existing contract agreement between Waste Connections and the City. Costs for such containers shall be included within the bid price for each structure.

Containers may be provided at no cost by the City of Seymour to the contractor in the event that they are available from the waste provider. Utilizing these bins may delay removal time and contractor will be required to arrange with the waste provider a schedule drop off & pick up of which the City of Seymour assumes no responsibility in the scheduling delays or conflicts.

"Bid Amount" in the Contractor's Response Form is for the project total NOT utilizing these bins and the "Alternative Bid" would be the bid where the contractor will utilize free bins from the waste provider.

2.0 Communication with City

The contractor shall inform the City representative of the planned start date, so a Pre-Demolition Inspection can be conducted; and as structures are completed, so that a Final Inspection can be performed soon thereafter to ensure acceptable completion.

3.0 Utilities Demolition

The contractor shall contact 811 for utility location identification. Electrical and natural gas utilities must be removed or made safe as approved by the Utilities Departments. The sanitary sewer shall be removed to the City utility easement or right of way and capped below grade. The water service shall be capped below grade and removed to the private property side of the water meter. Storm water connections to the City storm sewer shall be removed or protected per Utilities Department directives.

4.0 No Bonds Required

The bid awarded under this Statement of Work will be in amounts below the threshold requiring Performance and Payment Bonds. No Bid Bond will be required to be provided with the initial bid submission. No bonds will be required under this Statement of Work.

INSURANCE REQUIREMENTS

The Contracted firm(s) will be required to obtain and maintain insurance with the following required coverages and minimum limits and upon request, will provide insurance certificates to City evidencing the same. City shall be named as an additional named insured on its insurance and provided with a Certificate of Insurance providing coverage to City as an additional named insured.

- Worker's Compensation Statutory
- Commercial General Liability \$1,000,000 per occurrence
- \$2,000,000 aggregate
- Professional Liability Insurance \$1,000,000 per occurrence
