The Seymour Lions Club is beginning a new fund raiser to magnify Seymour's patriotism by placing flags by participating members on six designated major patriotic holidays. To participate in this awesome program please fill out the form by coming by City Hall and returning the form to the City Hall, Interbank, or People's Bank with a check made out to Seymour Lion's Club or cash of \$50.00. The \$50.00 will cover all six holidays and the Lion's Club will set the flag, put the flag out, and pick the flag up for each participant. The Lion's Club will contact you to ensure the flag is put out at your desired location. The flag project will begin on February 14th, 2025, when a flag will be placed out in front of the home or business of participants for the duration of each holiday. The flags all over town will demonstrate the patriotism of Seymour as we honor our country and those who have served so proudly. The funds generated from this project will be reinvested back to the community.

CITY OF SEYMOUR LIGHTED CHRISTMAS PARADE

Rocky Hickman Towing joined this year's parade with the wrecker and the incredible snow machine that added a new feature to the excitement.

United Ag and Turf "John Deere" brought an amazing piece of equipment to the parade. United sells a variety of John Deere and other brand equipment for farming, landscaping, and outdoor work equipment.

Pictured above the Seymour Volunteer Fire Department not only saves lives and property but provided a wonderful hamburger feed and participated in bringing in Santa Clause to spread the Christmas Cheer through downtown Seymour.

The Seymour Rehabilitation and Healthcare at 1110 Westview Drive participated in this year's Lighted Christmas Parade earning first place in the float division. Seymour Rehabilitation and Healthcare offers both short-and long-term health care services.

Street Department Supervisor Ronnie Kolacek went all out with the City's maintainer spreading Christmas Cheer with the decked-out trees and lights. Shaun Teel, David Mailhos, and Kenny Davis also entered other vehicles into this year's Lighted Christmas Parade.

The lighted Christmas Parade had three exceptional judges this year that decided the winners. Left to right Pastor David Warren with the First Baptist Church, Pastor Russell Roberts with the Calvary Baptist Church, and Pastor Sonny Smart from Harvest Church volunteered their time and expertise to judge the wonderful floats entered in this year's parade.
